EXPERIENCE

O1

AIRBUS A320 CAPTAIN

Macao

2017-Current

- As a Pilot in Command, my main concern is to conduct myself to the highest personal and professional standards at all times.
- Focus on delivering a safe, comfortable, and on-time flight.
- As a leader, I strive to create a team-based environment that ensures the highest level of safety for the operation.

EXPERIENCE

O2

AIRBUS A320 CAPTAIN

TRI - LTC

2014-2017

- As an instructor, my role is to provide technical guidance to pilots and assist them in developing team-working, situation awareness, communication, professionalism and other skills.
- Assisting the Flight Training Department with the preparation and creation of various EBT flight simulation scenarios intended to deliver training to pilots in specific procedures such as CAT II, RNAV, and LOFT in accordance with international aviation standards.

EXPERIENCE

03

AIRBUS A320 First Officer - CRM Facilitator

2011-2014

- I facilitated training courses on how to use CRM tools to improve flight safety using an approach that enhances leadership, communication, decision-making, and TEM (threat and error management). I presented courses to hundreds of pilots, cabin crew members, and other employees of the company.

EXPERIENCE

O4

**FOKKER 50/100 - First
Officer - FTD Instructor**

2008-2011

- Served as a Fokker 100 and Airbus A320 instructor on Flight Training Device with the responsibility of introducing the company SOP to other airline pilots who were new to airplane type, newly hired or upgrading to Captain position.
- Providing assistance to the Training Department responsible for updating manuals, standard operating procedures, and other operational documents.
