Dear potential employer...

I am a young ambitious pilot who hopes to be successful one day. I am very passionate about aviation and I take pride in whatever I engage myself in. I work well with others and enjoy being in a diverse Environment because I believe one learns more when surrounded by different people from different cultures. I enjoy travelling; hence I chose aviation as a career. I am a good team player, but I have that leadership quality in me. I am very cool, calm and collected.

I don't panic or get nervous easily.I see myself as a good problem solver. I come from a very disciplined background that values ethnic morals to a large extent. I am a Christian and I attend the Methodist church. I do believe that you were once in my shoes, young and ambitious,

Notice Period: Immediate, 2 weeks preferred.

Please find it in your heart to make my dream a reality. Together we can make our environment and this world a better place.

Yours sincerely

Kudzai.
